Assistant Designer: James
Jackson of Pacific Home

Each client participated in the design process. We worked to find out the way they liked to live. The kitchen island was a key feature. We knew they wanted to use the island as a breakfast bar. We also knew they wanted to use the island as a dining table. We worked to find out the way they liked to live. The kitchen island was a key feature. We knew they wanted to use the island as a breakfast bar. We also knew they wanted to use the island as a dining table.
